

# Start and grow your business with Clover

With Clover® Payments, you can accept the most popular forms of payments, including all major credit and debit cards, mobile wallets, and cash through a web browser, your mobile phone, your website or a Clover POS device. You can track all of your sales transactions in the Clover Dashboard, available on the web or as an app on your mobile device.

## Get started quickly

Simply sign up for a monthly subscription plan and start taking payments.

## Accept payments from anywhere

Take payments over-the-phone with Clover Virtual Terminal, on-location with your mobile device, online through your website or in-person with a Clover POS device.

## Track your sales transactions

Keep track of your sales on the Clover Dashboard on the web or through your mobile device.

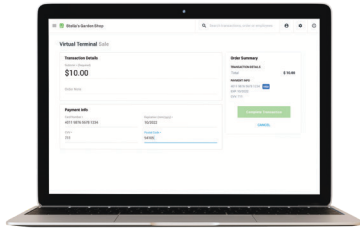

**Clover Payments includes everything you need to request and take payments, and track your sales transactions.**

- Clover Virtual Terminal – Key in customer card information through a web browser
- Invoicing – Request customer payment by email and allow them to pay online
- Clover Dashboard – View and track your sales through a web browser or your mobile device
- eCommerce Integrations – Expand your business online with our prebuilt eCommerce integrations, or use our developer tools to integrate payments to your website

# Start taking payments with Clover

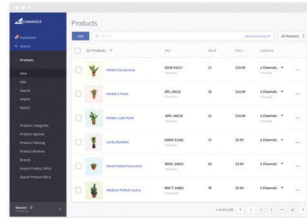

Clover Payments gives you the ability to take payments several ways.

## Over-the-phone payments

Key in your customer's card information through your web browser with Clover Virtual Terminal.

## Online payments

Accept payments through your website by integrating with an eCommerce shopping cart or adding a hosted checkout experience.

## Contactless, in-person payments

Take in-person payments with the portable Clover Flex or countertop device, Clover Mini.
