1. Let them drive

Station Duo comes with a smart terminal for your customers. That means they can confirm their orders and complete payment faster.

2. Move at the speed of now

Station Duo is our fastest, most powerful POS system. From inventory and orders to managing your staff and running reports, it's all at your fingertips.

3. All the colors of the payment rainbow

Let your customers pay how they want to pay. Swipe, dip, or tap. Credit or debit including Apple Pay, Google Pay, and more. Now twice as fast.

4. Next-level security

Protect your business and customer information with end-to-end encryption and data tokenization, integrated EMV chip sensors, and fingerprint logins.

## What Station Duo can do for you

### Streamlined operations

#### Central command

- One central hub for power and processing.  
One screen for you, one for your customers.  
And simple rates for your credit, debit, and gift card payments.

#### Faster processing, faster deposits

- Run chip card transactions in less than three seconds. You can get your money the next day.

#### Insights at your fingertips

- View the patterns and trends driving your sales and take a smarter approach to marketing
